Randy, I am trying to balance the entities that EPA shows as having signed the AOC and those that you (the PRP group) show as having signed the AOC. Therefore I will be sending you a couple of questions in the next few hours. To start with, did Garner Environmental and Magellan Terminals ever sign. We had emails in the last few weeks indicating they were about to sign.

indy:

I believe Connie sent this to Ed but want to make sure you also received it if in the event he is out of the office.

Regards,
Randy
